

POLICY STATEMENT

Section 26.1, 26.23 Objectives/Policy Statement

The Port of Astoria, Oregon, owner of the Port of Astoria Regional Airport, has established a Disadvantaged Business Enterprise (DBE) Program in accordance with regulations of the U.S. Department of Transportation (DOT), 49 CFR Part 26. The Port of Astoria (Port) has received Federal financial assistance from the Department of Transportation, and as a condition of receiving this assistance, the Port of Astoria has signed an assurance that it will comply with 49 CFR Part 26.

It is the policy of the Port of Astoria to ensure that DBEs as defined in Part 26, have an equal opportunity to receive and participate in DOT-assisted contracts. It is also the Port of Astoria's policy:

1. To ensure nondiscrimination in the award and administration of DOT-assisted contracts;
2. To create a level playing field on which DBEs can compete fairly for DOT-assisted contracts;
3. To ensure that the DBE Program is narrowly tailored in accordance with applicable law;
4. To ensure that only firms that fully meet 49 CFR Part 26 eligibility standards are permitted to participate as DBEs;
5. To help remove barriers to the participation of DBEs in DOT-assisted contracts;
6. To promote the use of DBEs in all types of federally-assisted contracts and procurement activities;
7. To assist the development of firms that can compete successfully in the market place outside the DBE Program; and
8. Make appropriate use of the flexibility afforded to recipients of Federal financial assistance in establishing and providing opportunities for DBEs.

Melanie Howard, Finance/HR Director has been designated as the DBE Liaison Officer (DBELO). In that capacity, the DBELO is responsible for implementing all aspects of the DBE program. Implementation of the DBE program is accorded the same priority as compliance with all other legal obligations incurred by the Port of Astoria in its financial assistance agreements with the Department of Transportation.

The Port of Astoria has disseminated this policy statement to the Board of Commissioners and all of the components of our organization. We have distributed this statement to DBE and non-DBE business communities that perform work for us on DOT-assisted contracts. The distribution was accomplished by posting a notice on the Port's website.
